

## ATLAS Neurophysiology for Cognitive Neuroscience Research

The Complete Solution for Human Electrophysiology Recording with One Unified, High Performance Data Acquisition System

### Assurance of Subject Safety

- Low picoamp input leakage current for optimal performance and subject safety
- FDA and CE/MDD Cleared for subject safety
- Conformance to Standards EN 60601-1, 60601-1-1, 60601-1-2, 60601-1-4, 60601-1-6, 60601-2-26
- Designed and manufactured under ISO 13485 certification

\*Not intended for the diagnosis or treatment of disease.
